The Christmas party isn't going to happen in person this year. Instead, we'll have a Zoom meeting with our special guest speaker Jim Phillips! He will talk about how he rode 1,000 miles in Arkansas starting on Halloween and finishing on November 6th! There is also a special presentation of some photos that our own John White is putting together, and a preview of our upcoming annual New Years Day ride from interim ride coordinator Dane Seiler! There will even be a prize drawing for seven lucky winners! You can join the meeting using your computer, tablet, or smartphone! Please try to connect to the meeting a few minutes early because technology is great when it works, but sometimes it takes a few tries!
